At just 10 years of age, Ridhhaan Jain has already carved a remarkable path as an international author, motivational speaker, talk show host, and publisher extraordinaire. Hailing from Pune, this child prodigy has captured hearts worldwide with his literary prowess and inspiring endeavours.

Ridhhaan's journey began at the tender age of 4 when his innate talent for storytelling caught the attention of his teachers and parents. Bedtime stories became a canvas for his boundless imagination. However, it was during the pandemic-induced lockdown that his parents encouraged him to channel his creativity into writing. Supported by his school, Billabong High International School, Pune, Ridhhaan's parents proudly published his first book, "Once Upon In My Mind," in December 2021.

Ridhhaan Jain's journey of literary excellence and inspiration continues to unfold with each passing day. His insatiable love for reading propelled him to delve deeper into the world of literature, leading to the creation of three additional publications in the same year as his debut book. "The Mirror and The Greedy Man," "The Despicable Virus," and "Penny and The Monsters" stand as testaments to Ridhhaan's creativity and storytelling prowess.

Furthermore, Ridhhaan is currently putting the finishing touches on his debut novel, "The Mellifluous Odyssey." This forthcoming work explores themes of teenage aspirations and overcoming obstacles, showcasing Ridhhaan's ability to connect with audiences of all ages and backgrounds.

Ridhhaan's talents extend beyond writing. Recognized as the "Youngest Motivational Speaker" by the India Book of Records and Asia Book of Records, he has inspired audiences with his engaging presentations at schools and clubs across Pune and Mumbai. His talk show, "B'coz I Can with Ridhhaan," showcases talented children and inspiring individuals, spreading motivation and knowledge to audiences worldwide.

Despite his numerous achievements, Ridhhaan remains a dedicated student, excelling academically while pursuing his passions for sports and hobbies. With each book, speech, and initiative, he continues to inspire young minds, solidifying his status as a rising star in the literary world and beyond.
